1. **Strategy:** Relative Strength
2. **Type:** Pullback
3. **Reasons for entering:**
 - a. Market pullback to support
 - b. 5-min BO inside an hourly buy with price void
 - c. 2-min pinch
 - d. 1000+ tick reading
 - e. @ 10:30 RT
4. **T/F:** 60-min
5. **Entry:** 5-min BO
6. **Reasons for exiting:**
 - a. Target 1 reached
 - b. back-half trailed out on 5-min pivots
 - c. 5-min breakdown/uptrend break in market
 - d. Timing exit: market reached target
7. **P&L:** 3Rs
8. **Mistakes:** a b c d
9. **Market:** bullish...or (uptrend/downtrend/sideways)
10. **Comments:** Here, talk about your feelings, things that you learned from the trade, any new discoveries, or was this a good trade that you managed horribly - discuss anything you want in here, but at the end, make sure to add it to your TP/do-not-do list/whatever it is, just make sure your mistake/new discovery is going to help you in your future trades and not be forgotten.
