

HOW MOST DAILY TRENDS END

HOSTED BY:

Sami Abusaad

Director of Education

PROFESSIONAL & NOVICE GAPS

how most daily trends end

CONCEPT

- There are only two types of gaps in existence: Professional and Novice
- **Pro/Igniting Gaps** start/ignite new trends. They are to be played with (in the same direction as) the gap.
- **Novice/Exhaustion Gaps** end/exhaust old trends. They are to be played against (in the opposite direction of) the gap.
